Children under 10 years old are not allowed to use adult aqua parks and pools without parental supervision.
Children under 5 years old are not allowed to use adult water slides.

RAFTING SLIDE	The most popular slide with boats, which can also be combined with other boat slides. The Rafting Slide is produced with unique engineering and design for a safe and enjoyable sliding experience.
HILL SLIDE	One of the most extreme and adrenaline-filled attractions, the Hill Slide offers users an incredible experience.
CRAZY CONE	Crazy Cone is a unique sliding course with its distinctive geometry. Due to its conical geometric shape, it is the centerpiece and attraction of your water park. The Crazy Cone experience can be described as "being swept into a fun whirlpool all at once."
AQUATUBE SLIDE	One of the most popular slides without boats, the Aquatube Slide offers an adventurous sliding experience, decorated with light effects similar to the Black Hole slide.
OPEN BODY SLIDE	With its glowing color combinations and the brilliance of L-RTM technology, the Body Slide offers a smooth sliding experience suitable for any water park. The Body Slide path consists of different sections with varying speed levels, including multiple drop zones and straight paths.
TUNNEL FREE FALL SLIDE	The closed version of the Freefall slide, the Tunnel Freefall offers the same experience inside a dark tunnel. Sliding nearly vertically in the dark, this adrenaline rush will become a habit for your guests.
BLACK HOLE SLIDE	One of our most popular slides, Black Hole offers a unique experience with its special design and exciting course. As an enclosed tube slide, its natural effects blend perfectly with the water inside, providing a spectacular visual feast for high-speed sliders. Be ready for mesmerizing light effects, surprise turns, and thrilling fun every moment.
DRONE SLIDE	Drones are captivating attractions where riders suddenly drop inside and are amazed by the tight effect of the opening roof during the ride. Offering colorful fun amid the unknown, the Body Slide provides an adrenaline-filled sliding experience. Enjoy the thrilling moments on this long slide inside the dark.
BODY RACER OPEN SLIDE	Experience the most iconic water race. The patented Polgin design, Body Racer, allows racers to ride side-by-side in two separate lanes, enabling them to see and hear each other. With two lanes and a two-person capacity, Body Racer brings a new dimension to racing slides, offering a different experience. Each lane features exciting twists and turns like in the Body Slide, combined with the thrill of racing slides.
MULTI 2 LANE SLIDE	The Multi 2 Lane Slide offers up to 8 lanes for competition. It starts with a free fall and speeds guests toward the finish, making the racing spirit even more exciting. With a minimum of 2 and a maximum of 8 tracks, guests can enjoy fun without time limits.
ST (KIDS GROUP) SLIDES	Aqua Tower provides a safe environment where children can move, play, and explore, offering a world full of fun and games. Featuring tipping buckets, slides, climbing nets, and water jets, Aqua Tower hosts many joyful moments. It includes 1 Wide Slide, 1 Kids Multislide, 1 Aquatube & Open Body Slide, and 4 Aquatube Slides.

BABY CONCEPT (Ages 0-3)

Green Nature Sarigerme offers a unique concept designed with irresistible details for the comfort and happiness of families with babies. The baby concept meets the basic needs of infants, allowing families to enjoy a pleasant holiday experience.

It is a special area of 60 m² indoor space, designed exclusively for babies aged 0-36 months and toddlers who have just started walking, to be used under parental supervision. All floor and wall surfaces are safely covered with soft padding. This area includes a baby care room, baby play areas suitable for crawling and movement needs, as well as age-appropriate toys.

The Baby Club is planned to provide a safe and comfortable environment where children can spend time under parental supervision. Baby care staff assigned within the area will assist parents and provide necessary guidance. The Baby Club is located within the children's club boundaries and is only accessible under parental supervision. This special area aims to offer a secure and peaceful environment where babies and their parents can spend quality time together.

CHILDREN'S CONCEPT (Ages 4-12)

Green Nature Sarigerme Kids Club offers a safe and fun environment for our young guests aged 4 to 12, supervised by experienced staff.

MAIN BUILDING

Our club's main building features a 290 m² indoor workshop area equipped with age-appropriate toys and creative craft workshops. It can accommodate an average of 70 children simultaneously, managed carefully with a balanced number of staff. To ensure children have an active and enjoyable day, different activities are planned every hour. The club aims to provide uninterrupted service from 10:00 AM to 11:00 PM.

GARDEN OUTDOOR AREA "COURTYARD"

The club also offers a secure, walled courtyard area of approximately 800 m². This large garden serves as the main outdoor activity area for the Kids Club. The lawn-covered space includes a pathway for battery-powered and pedal vehicles around the perimeter. In addition to scheduled activities throughout the day, the garden features free play areas, rest corners, and a special kids' bar. Evening events for children and families will also be safely held in this controlled outdoor space.

Operating Hours: 10:00 AM – 11:00 PM

DAYTIME ACTIVITIES

Kids Club offers fun and educational daytime activities enriched with different themes every day for our young guests.

- * Daily themed craft workshops
- * Morning kids yoga and exercise sessions
- * Face painting activities
- * Mini football, basketball, and volleyball tournaments
- * Group games and team-building activities
- * Music time and rhythm sessions
- * Kids dance and Zumba activities
- * Cooking workshops (cookie decorating, fruit decoration, etc.)
- * Traffic education and career introduction workshops
- * Sandpits
- * Movie time
- * Arts and crafts
- * Puzzles
- * Kite festival
- * Kids festival

Evening Activities

In the evenings, thematic night events are organized for each day, offering special entertainment, including:

- * Karaoke Night
- * Painting Night
- * Archaeology Night
- * Quiz (Trivia) Night
- * Movie Night
- * Games and Fun Night
- * Competition Night

Teen Club Concept

Designed specifically to support the social, physical, and personal development of our young guests aged 13 to 17. Located outside the children's club area within an open and controlled parkour, the Teen Club is structured as a social space where teenagers can freely spend their time and enjoy a space of their own.

Kids Club Additional Services

Green Nature Sarigerme Kids Club prioritizes the safety and comfort of children through various additional practices, aiming to enhance the quality of service offered to our guests.

Soft Play, Trampoline, and Digital Experience Room Services

The Experience and Activity Area within the Kids Club offers a fun and dynamic environment where children can safely release their energy in a total indoor space of 500 m². This area includes a 100 m² Digital Experience Room equipped with interactive applications, as well as 280 m² of trampoline tracks and soft-surfaced play zones.

Kids Club Shuttle Bus (Ring Service)

The Kids Club shuttle bus operates at designated times and stops within the hotel, offering regular loop services to ensure that our young guests can reach the club area safely and conveniently.

Bicycle Club

Within the hotel, supervised and scheduled daily bike tours are organized along planned routes, with groups divided according to age. Through this service, children remain physically active while enjoying a fun and immersive exploration experience in nature.
